The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF MODEL AGREEMENT FOR  
AIRPLANE MAINTENANCE, ENGINEERING AND REPAIR SERVICES  
(ALL DISTRICTS) (3 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve and instruct the Sheriff to sign the attached Model Agreement with Jet Source, Incorporated, to provide airplane maintenance, engineering and repair services (maintenance) for the Sheriff's Department's (Department) Aero Bureau, for a term of three (3) years, with options to extend for up to two (2) additional one (1) year periods, and one (1) six-month period in any increment, effective upon approval by the Sheriff.
2. Approve delegated authority to the Sheriff to a) enter into Maintenance Agreements, substantially similar to the attached Agreement, with other vendors who meet the County's minimum qualifications and with the prior approval of the Office of County Counsel; and b) terminate any existing and future Maintenance Agreements when necessary. The delegated authority is being requested to streamline the Department's process for existing and future Maintenance Agreements and amendments. The delegated authority will be effective upon Board approval and continue through the term of each Agreement.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

Approval of the Model Agreement will allow the Department to obtain maintenance services from various qualified contractors for major repairs and/or overhaul services to the Aero Bureau's airplanes and related components.

*A Tradition of Service*

### Implementation Of Strategic Plan Goals

The proposed Agreement supports the County's Strategic Plan Goal Number 2, Workforce Excellence. Specifically, the Agreement will enable the Department to ensure the continued reliable and safe operation of its fleet of law enforcement airplanes in support of countywide law enforcement services.

### **FISCAL IMPACT/FINANCING**

The annual expenditure of these services is estimated to be approximately \$500,000. Over the term of the Agreements, appropriate allocations will be established in the Department's annual budget to meet anticipated needs each fiscal year. However, actual expenditures will only be incurred on an as-needed basis.

The Department has identified funds in the Fiscal Year 2006-07 operating budget to begin this service. Funding required to provide these services will be budgeted annually.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The action requested will establish Agreements with various maintenance service companies to provide multiple maintenance services that can better facilitate the varying situations and circumstances that must be considered to keep the airplanes operational. Multiple Agreements will provide pre-established rates for the services provided, and will continue to allow a price comparison for services among vendors providing similar services. Establishing contracts with multiple vendors will provide the Department with more flexibility in the selection of a qualified vendor based on price, support capabilities, and time constraints. Qualified vendors who enter into an Agreement with the County are not guaranteed a minimum amount of work, nor shall they have any exclusive right to provide services to the County.

Qualified vendors must be licensed repair stations, certified and approved by the Federal Aviation Administration (FAA) under Federal Aviation regulation Part 145 for the appropriate power plant, component overhaul, or airframe maintenance repair services being bid; or operate an Approved Maintenance Organization (AMO), verified by Transport Canada under Canadian Aviation regulations Part V, subpart 73.

The Department's airplane fleet consists of 3 airplanes, and these airplanes log approximately 600 flight hours each year in support of law enforcement missions. Air services provided by the Department have increased in recent years due to the greater demand for law enforcement aviation support. Additionally, as the fleet ages, the need for maintenance services will increase.

The Department provides all organizational maintenance for these aircraft with a staff of qualified maintenance personnel. The services being sought are inclusive of all parts and labor related to heavy maintenance, special engineering, and power plant/component overhaul services which are beyond the capability of the Department's airplane maintenance staff.

This Model Agreement is in compliance with all Board, Chief Administrative Office, and County Counsel requirements, and has been approved as to form by County Counsel.

### **CONTRACTING PROCESS**

The Department issued a Request for Statements of Qualifications (RFSQ) to three companies and posted the solicitation on both the Los Angeles County Website and the Department's Website. The contractors selected to participate in this solicitation were referred by aircraft manufacturers, companies with previous experience with the Department, and any company that requested inclusion on the qualifier's list. Statements of Qualifications (SOQs) are reviewed by staff from within the Department. The evaluation of SOQs are based on each company's ability to satisfy the minimum requirements and provide appropriate licensing and certifications.

One contractor has, to date, been determined to be qualified, and is prepared to enter into an Agreement. Approval of this Model Agreement will permit the Department to contract with additional contractors as they become available.

### **IMPACT ON CURRENT SERVICES**

There will be no negative impact on current Department operations and services. Approval of this Model Agreement will facilitate expeditious service to the Department's fleet of airplanes. These services are required to keep vital aircraft in continuous, reliable and safe working order for emergencies and for rapid response to law enforcement activities.

- 6.1.3 For any change which increases the Prices and Fees pursuant to Paragraphs 8.3 or 9.2, or changes the terms and conditions pursuant to requirements of the Board of Supervisors, County Counsel, or the County Chief Administrative Officer, the Sheriff and the Contractor Project Director shall execute an Amendment to the Agreement.

It shall be the responsibility of Contractor to provide to the County's Project Manager annually, or upon request, two (2) copies of current year proprietary Price Books (catalogues), or a current year bibliographic listing of price books used by Contractor to set pricing for materials.

The bibliography is a listing of all manufacturer and/or proprietary Price Books [Original Equipment Manufacturers (OEM), U.S. Navy, parts distributors and/or vendors authorized by the OEM] used by the Vendor to set resale pricing for parts, components and/or raw materials to be used throughout the term of the Agreement (refer to Exhibit B, Statement of Work, Part III, A).

The bibliographic listing must alphabetically list the manufacturer's and/or supplier's name, address and phone number(s), internet website address, Price Book date or year of publication, and number of pages contained in the Price Book.

All Price Books and/or bibliographic listings shall be provided at no cost to County throughout the Term of this Agreement.

- 9.1 Notwithstanding any other provision of this Agreement, either expressly or by implication, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during any of County's future fiscal years unless and until the Board appropriates funds for this Agreement in County's budget for each such future fiscal year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated and such termination shall be deemed a termination for convenience pursuant to Section 6.0 (Termination for Convenience) of Exhibit A (Additional Terms and Conditions). However, any increase shall not exceed the general salary movement granted to County employees as determined by the Chief Administrative Office as of each July 1 for the prior 12-month period. Furthermore, should fiscal circumstances ultimately prevent the Board from approving any increase in County employees' salaries, no cost of living adjustments will be granted. COLAs shall implemented by Amendment to the Agreement executed by the Sheriff pursuant to Section 6.0, (Change Orders and Amendments).

## 10.0 INVOICES AND PAYMENTS

For providing the deliverables, services, and other work authorized pursuant to this Agreement, Contractor shall separately invoice County for each Work Order by deliverable.

Payment for all work shall be on a fixed-price/not-to-exceed-cost per deliverable basis, subject to the total maximum amount specified in each Work Order, less any amounts assessed in accordance with Section 11.0 (Liquidated Damages).

County shall not pay Contractor for any costs which exceed the total maximum amount specified in each Work Order or which exceed the published industry-standard resale pricing published by manufacturers of components, parts, and/or raw materials used by Contractor.

County shall not pay Contractor for any costs which exceed the published labor rate in Paragraph 8.2 (Labor) except as adjusted pursuant to Paragraph 9.2 (COLAs).

### 10.1 Approval of Invoices

All invoices submitted by Contractor for payment must have the written approval of County Project Director, as evidenced by County Project Director's countersignature, prior to any payment thereof. In no event shall County be liable or responsible for any payment prior to such written approval. Invoices shall be submitted to the County Project Director identified in Paragraph 3.1, and a simultaneous duplicate copy to:

Los Angeles County Sheriff's Department  
Accounts Payable  
4700 Ramona Boulevard, Room 316  
Monterey Park, California 91754

10.2 Detail. Each invoice submitted by Contractor shall include:

10.2.1 A complete description of the tasks, deliverables, goods, services, or other Work as described in Exhibit B (Statement of Work) and detailed in the original or properly amended Work Order for which payment is claimed and the amount of payment thereof.

10.2.2 Period of Performance

The period of performance specified in Contractor's invoice(s) must coincide with the period of performance specified in the applicable Work Order.

10.2.3 Additional Information. Each Invoice shall also include the following:

- County's Work Order number and Contractor's Agreement number;
- Period of performance of work being invoiced;
- Name(s) of persons who performed the Work;
- The number of labor hours used to complete the job;
- An itemized list of all parts, components, and/or raw materials used to complete the job together with manufacturer's part numbers;
- The itemized pricing for each part, component, and/or volume of raw materials used to complete the job;
- The number labor hours used to complete the Work;
- The Labor Rate Per Hour applicable to the Work Order;
- The total amount of the invoice.

10.3 No Out-of-Pocket Expenses

Contractor acknowledges that out-of-pocket expenses, including travel, meal, and lodging expenses, are not reimbursable by County. Accordingly, Contractor's invoices shall not include out-of-pocket expenses.

10.4 Contractor Responsibility

Contractor is responsible for the accuracy of invoices submitted to County. Further, it is the responsibility of Contractor to reconcile or otherwise correct inaccuracies or inconsistencies in the invoices submitted by Contractor.

## 10.5 County's Right to Withhold

In addition to any rights of County provided in this Agreement, or at law or in equity, County may, upon notice to Contractor, withhold payment for any Work while Contractor is in default hereunder, or at any time that Contractor has not provided County approved Work.

## 11.0 LIQUIDATED DAMAGES

11.1 If, in the judgment of the County Project Director, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the County Project Director, at his option, in addition to, or in lieu of, other remedies provided herein, may, for cause, withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for Work not performed. Information regarding the Work not performed and the amount to be withheld or deducted from payments to the Contractor from the County will be forwarded to the Contractor by the County Project Director in a written notice describing the reasons for said action.

11.2 If the County Project Director determines that there are deficiencies in the performance of this Agreement that are over a certain time span, the County Project Director will provide a written notice to the Contractor to correct the deficiency within specified time frames. Should the Contractor fail to correct deficiencies within said time frame, the County Project Director may:

11.2.1 Deduct from the Contractor's payment, pro rata, those applicable portions of the monthly contract sum; or

11.2.2 Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is Two Hundred Dollars (USD) (\$200) per day per infraction, and that the Contractor shall be liable to the County for liquidated damages in the said amount. Said amount shall be deducted from the County's payment to the Contractor; and/or

11.2.3 Upon giving five (5) days notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies, and the total costs incurred by the County for completion of the Work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by County.

- 11.3 The action noted in Paragraph 11.2 shall not be construed as a penalty, but as an adjustment of payment to Contractor to recover the County cost due to the failure of Contractor to complete or comply with the provisions of this Agreement.
- 11.4 This Paragraph shall not, in any manner, restrict or limit the County's right to damages for any breach of this Agreement provided by law or as specified in the PRS or Paragraph 11.2, and shall not, in any manner, restrict or limit the County's right to terminate the Agreement as agreed to herein.

## RFSQ - APPENDIX G – EXHIBIT A

### ADDITIONAL TERMS AND CONDITIONS

The following additional terms and conditions are applicable to, and form a part of, the Agreement. Capitalized terms not otherwise defined in this Appendix A, Additional Terms and Conditions (as used in this Appendix A, Additional Terms and Conditions, this “Appendix”) have the meanings given to such terms in the base document of the Agreement.

#### 1.0 SUBCONTRACTING

##### 1.1 General

County has relied, in entering into the Agreement, on the reputation of and on obtaining the personal performance of Contractor itself. Consequently, no performance of the Agreement, or any portion thereof, shall be subcontracted by Contractor except in accordance with the procedures set forth in this Section 1.0, Subcontracting. Any attempt by Contractor to subcontract any performance, obligation, or responsibility under the Agreement, except in accordance with the procedures set forth in this Section 1.0, Subcontracting, shall be null and void and shall constitute a material breach of the Agreement, upon which County may immediately terminate the Agreement.

##### 1.2 Contractor Responsibilities.

- 1.3.1 Notwithstanding any County consent to any subcontracting, Contractor shall remain responsible for any and all performance required of it under the Agreement, including the obligation properly to supervise, coordinate, and perform, all Work required hereunder, and no subcontract shall bind or purport to bind County. Further, County approval of any subcontract shall not be construed to limit in any way Contractor’s performance, obligations, or responsibilities, to County.
- 1.3.2 In the event that County consents to any subcontracting, such consent shall be subject to County’s right to reject any and all subcontractor personnel providing services under such subcontract.
- 1.3.3 In the event that County consents to any subcontracting, Contractor shall cause the subcontractor, on behalf of itself, its successors and administrators, to assume and be bound by and shall be deemed to have assumed and agreed to be bound by each and all of the provisions of the Agreement and any amendment hereto as it relates to or affects the Work performed by subcontractor hereunder.

- 1.3.4 Contractor shall be solely liable and responsible for any and all payments and other compensation to all subcontractors and their officers, employees, and agents. County shall have no liability or responsibility whatsoever for any payment or other compensation for any subcontractors or their officers, employees, and agents.

## **2.0 DISPUTE RESOLUTION PROCEDURE**

### **2.1 General**

Contractor and County agree to act immediately to resolve mutually any disputes that may arise with respect to the Agreement. All such disputes shall be subject to the provisions of this Section 2.0, Dispute Resolution Procedure (such provisions are collectively referred to as the "Dispute Resolution Procedures"). Time is of the essence in the resolution of disputes.

### **2.2 Continued Work**

Contractor and County agree that, the existence and details of a dispute notwithstanding, both parties shall continue without delay their performance hereunder, except for any performance, other than payment by County for approved Work, that the parties mutually determine should be delayed as a result of such dispute.

- 2.2.1 If Contractor fails to continue without delay its performance hereunder that County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs which may be incurred by Contractor or County as a result of Contractor's failure to continue to so perform shall be borne by Contractor, and Contractor shall make no claim whatsoever against County for such costs. Contractor shall promptly reimburse County for such County costs, as determined by the County, or County may deduct or offset all such additional costs from any amounts due to Contractor from County.
- 2.2.2 If County fails to continue without delay to perform its responsibilities under the Agreement which County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs incurred by Contractor or County as a result of County's failure to continue to so perform shall be borne by County, and County shall make no claim whatsoever against Contractor for such costs. County shall promptly reimburse Contractor for all such additional Contractor costs subject to the approval of such costs by County.

## 2.3 Dispute Resolution Procedures

In the event of any dispute between the parties with respect to the Agreement, Contractor and County shall submit the matter as follows:

- 2.3.1 Contractor and County shall first submit the matter to their respective Project Managers for the purpose of endeavoring to resolve such dispute.
- 2.3.2 If the Project Managers are unable to resolve the dispute within a reasonable time, not to exceed five (5) Business Days from the date of submission of the dispute, then the matter immediately shall be submitted to the parties' respective Project Directors for further consideration and discussion to attempt to resolve the dispute.
- 2.3.3 If the Project Directors are unable to resolve the dispute within a reasonable time not to exceed five (5) Business Days from the date of submission of the dispute, then the matter shall be immediately submitted to Contractor's president or chief operating officer and the Sheriff of the County of Los Angeles. These persons shall have five (5) Business Days to attempt to resolve the dispute.
- 2.3.4 In the event that at these levels, there is not a resolution of the dispute acceptable to both parties, then each party may assert its other rights and remedies provided under the Agreement and its rights and remedies as provided by law.

## 2.4 Documentation of Dispute Resolution Procedures

All disputes utilizing the Dispute Resolution Procedure shall be documented in writing by each party and shall state the specifics of each alleged dispute and all actions taken. The parties shall act in good faith to resolve all disputes. At all three (3) levels described in Paragraph 2.3, Dispute Resolution Procedures, the efforts to resolve a dispute shall be undertaken by conference between the parties' respective representatives, either orally, by face-to-face meeting or by telephone, or in writing by exchange of correspondence.

## 2.5 Not Applicable to County's Right to Terminate

Notwithstanding any other provision of the Agreement, County's right to terminate the Agreement pursuant to Section 4.0, Termination for Insolvency, Section 5.0, Termination for Default, Section 6.0 Termination for Convenience, or Section 7.0, Termination for Improper Consideration, in each case, of this Appendix, or any other termination provision hereunder, shall not be subject to the Dispute Resolution Procedure. The preceding sentence is intended only as a clarification of County's rights, and shall not be deemed to impair any claims that

Contractor may have against County or Contractor's rights to assert such claims after any such termination or such injunctive relief has been obtained.

### 3.0 CONFIDENTIALITY

#### 3.1 General

Contractor shall maintain the confidentiality of all records and information, events or circumstances which occur during the course of Contractor's performance under the Agreement, in accordance with all applicable Federal, State, and local laws, regulations, ordinances, guidelines, and directives relating to confidentiality. Contractor shall inform all of its directors, officers, shareholders, employees, and agents providing services hereunder of the confidentiality provisions of the Agreement. Contractor shall provide to County an executed Contractor's Employee Acknowledgment and Confidentiality Agreement, Exhibit F2 to the Agreement (attached to this Appendix), for each of its employees performing Work under the Agreement. Notwithstanding anything herein to the contrary, Contractor acknowledges and agrees that it is responsible for any breach of the obligations of confidentiality set forth herein by any person or entity to whom Contractor discloses such confidential information.

#### 3.2 Disclosure of Information.

- 3.2.1 With respect to any confidential information obtained by Contractor pursuant to the Agreement, Contractor shall: (a) not use any such records or information for any purpose whatsoever other than carrying out the express terms of the Agreement; (b) promptly transmit to County all requests for disclosure of any such records or information; (c) not disclose, except as otherwise specifically permitted by the Agreement, any such records or information to any person or organization other than County without County's prior written authorization that the records are, or information is, releasable; and (d) at the expiration or termination of the Agreement, return all such records and information to County or maintain such records and information according to the written procedures sent to Contractor by County for this purpose.
- 3.2.2 Without limiting the generality of Subparagraph 3.2.1 of this Appendix, in the event Contractor receives any court or administrative agency order, service of process, or request by any person or entity (other than Contractor's professionals) for disclosure of any such details, Contractor shall immediately notify the County Project Director. Thereafter, Contractor shall comply with such order, process, or request only to the extent required by applicable law. Notwithstanding the preceding sentence, to the extent permitted by law, Contractor shall delay such compliance and cooperate with County to obtain relief from such

obligations to disclose until County shall have been given a reasonable opportunity to obtain such relief.

### 3.3 Contractor Information

Any and all confidential or proprietary information which is developed or was originally acquired by Contractor outside the scope of this Agreement, which Contractor desires to use hereunder, and which Contractor considers to be proprietary or confidential, must be specifically identified by Contractor to the County Project Director as proprietary or confidential, and shall be plainly and prominently marked by Contractor as "proprietary" or "confidential." County shall undertake reasonably to maintain the confidentiality of materials marked by Contractor as "proprietary" or "confidential." Notwithstanding any other provision of this Agreement, County shall not be obligated in any way under this Agreement for:

- 3.3.1 Any of Contractor's proprietary and/or confidential materials not plainly and prominently marked with restrictive legends;
- 3.3.2 Any disclosure of any materials which County is required to make under the California Public Records Act or otherwise by law; and
- 3.3.3 Any materials indicating the volume, frequency and type of goods and services provided by Contractor, including, but not limited to use under Section 25.0, Re-solicitation of Bids, Proposals, or Information.

### 3.4 Use of County Name

In recognizing Contractor's need to identify its services and related clients to sustain itself, County shall not inhibit Contractor from publishing its role under the Agreement within the following conditions:

- 3.4.1 Contractor shall develop all publicity material in a professional manner.
- 3.4.2 During the Term, Contractor shall not publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of County without the prior written consent of the County Project Director, which shall not be unreasonably withheld or delayed.
- 3.4.3 Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded the Agreement with County, provided that the requirements of this Paragraph 3.4, Use of County Name (other than the requirements set forth in Subparagraph 3.4.2) shall apply.

- 3.4.4 Notwithstanding anything herein to the contrary, County reserves the right to object to any use of County's name and Contractor shall cure promptly and prospectively any use of County's name that has been objected to by County.

3.5 Injunctive Relief

Contractor acknowledges that a breach by Contractor of this Section 3.0, Confidentiality may result in irreparable injury to County that may not be adequately compensated by monetary damages and that, in addition to County's other rights under the Agreement and at law and in equity, County shall have the right to injunctive relief to enforce the provisions of this Section 3.0, Confidentiality.

4.0 TERMINATION FOR INSOLVENCY

- 4.1 County may terminate the Agreement immediately at any time following the occurrence of any of the following:
- 4.1.1 Contractor has ceased to pay or has admitted in writing its inability to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the United States Bankruptcy Code and whether or not Contractor is insolvent within the meaning of the United States Bankruptcy Code, provided that Contractor shall not be deemed insolvent if it has ceased in the normal course of business to pay debts that Contractor disputes in good faith;
  - 4.1.2 The filing of a voluntary or involuntary petition (which involuntary petition is not dismissed within sixty (60) days) regarding Contractor under the United States Bankruptcy Code;
  - 4.1.3 The appointment of a receiver or trustee for Contractor; or
  - 4.1.4 The execution by Contractor of a general assignment for the benefit of creditors other than in the course of arranging financial lines of credit.
- 4.2 The rights and remedies of County provided in this Section 4.0, Termination for Insolvency shall not be exclusive and are in addition to any other rights and remedies provided at law or in equity, or under the Agreement.
- 4.3 Contractor agrees that if Contractor as a debtor-in-possession, or if a trustee in bankruptcy, rejects the Agreement, County may elect to retain its rights under the Agreement, as provided under Section 365(n) of the United States Bankruptcy Code (11 U.S.C. Section 365(n)). Upon written request by County to Contractor or the trustee in bankruptcy, as applicable, Contractor or such trustee shall allow

County to exercise all of its rights and benefits under the Agreement. The foregoing shall survive the termination or expiration of the Agreement for any reason whatsoever.

## **5.0 TERMINATION FOR DEFAULT**

### **5.1 Event of Default**

County may, upon notice to Contractor, terminate the whole or any part of the Agreement if Contractor fails to perform or provide any Work within the times specified in the Agreement, or Contractor breaches or fails to perform or comply with any of the other provisions of the Agreement, including the applicable notice and cure periods, if any (if no cure period is specified in the Agreement, Contractor shall have ten (10) days following notice from the County Project Director specifying such breach or failure to cure prior to termination under this Section 5.0, Termination for Default, or such longer period as the County Project Director may authorize, in writing, but in no event shall the period, as extended by the County Project Director, exceed thirty (30) days), provided that nothing in this Paragraph 5.1 shall in any way limit or modify any rights of County or obligations of Contractor relating to timely performance by Contractor as otherwise set forth in the Agreement.

### **5.2 Deemed Termination for Convenience**

If, after County has given notice of termination under the provisions of this Section 5.0, Termination for Default it is determined by County or otherwise that Contractor was not in default under the provisions of this Section 5.0, Termination for Default or that the default was excusable or curable under the provisions of this Section 5.0, Termination for Default the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Section 6.0, Termination for Convenience of this Appendix except that no additional notice shall be required to effect such termination.

### **5.3 Completion of Work**

Without limiting any of County's rights and remedies pursuant to the Agreement, upon the occurrence of any event giving rise to County's rights to terminate the Agreement, in whole or in part, pursuant to this Section 5.0, Termination for Default, County may, in lieu of such termination, (a) perform, or cause the performance of, any required correction, remedy and deficiency, replace any noncomplying Work, or take any other such action as may be reasonably required to promptly remedy such default, and (b) debit Contractor therefore at County's direct actual cost of outside labor and materials and County's burdened (including salary, employee benefits and reimbursement policies) rates for labor. Such debit shall be made against any amounts owed by County to Contractor under the Agreement. In the event County elects to proceed under this

Paragraph 5.3, Completion of Work, any Work created, modified, or repaired by or at the direction of County shall be deemed Work under the Agreement.

## **6.0 TERMINATION FOR CONVENIENCE**

### **6.1 Termination for Convenience.**

The Agreement may be terminated, in whole or in part from time to time, by County in its sole discretion for any reason. Termination of Work hereunder shall be effected by delivery to Contractor of a notice of termination specifying the extent to which performance of Work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than thirty (30) days after notice.

### **6.2 No Prejudice; Sole Remedy**

Nothing in this Section 6.0, Termination for Convenience is deemed to prejudice any right of Contractor to make a claim against the County in accordance with this Agreement and applicable law and County procedures for payment for Work through the effective date of termination. Contractor, however, acknowledges that the rights and remedies set forth in this Paragraph 6.2 shall be the only remedy available to Contractor in the event of a termination or suspension pursuant to this Section 6.0, Termination for Convenience by County.

## **7.0 TERMINATION FOR IMPROPER CONSIDERATION**

- 7.1 County may, upon notice to Contractor, immediately terminate the right of Contractor to proceed under the Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to Contractor's performance pursuant to the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.
- 7.2 Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to County Auditor-Controller's employee fraud hotline at (800) 544-6861.
- 7.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

## 8.0 TERMINATION FOR GRATUITIES

County may, by notice to Contractor, terminate the right of Contractor to proceed under the Agreement upon one (1) calendar day's notice, if it is found that gratuities in the form of entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer, employee, or agent of County with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending, or the making of any determinations with respect to the performing, of such contract. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

## 9.0 EFFECT OF TERMINATION

## **33.0 COMPLIANCE WITH JURY SERVICE PROGRAM**

### **33.1 Jury Service Program**

This Agreement is subject to the provisions of County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

### **33.2 Written Employee Jury Service Policy.**

33.2.1 Unless Contractor has demonstrated to County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the Los Angeles County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the Los Angeles County Code), Contractor shall have and adhere to a written policy that provides that its employees shall receive from Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with Contractor or that Contractor deduct from the employees' regular pay the fees received for jury service.

33.2.2 For purposes of this Section 33.0, Compliance with Jury Service Program, "Contractor" means a person, partnership, corporation or other entity which has a contract with County or a subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full

time employee of Contractor. "Full time" means 40 hours or more worked per week, or a lesser number of hours if: (a) the lesser number is a recognized industry standard as determined by County, or (b) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for County under the Agreement, the subcontractor shall also be subject to the provisions of this Section 33.0, Compliance with Jury Service Program. The provisions of this Section 33.0, Compliance with Jury Service Program shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

33.2.3 If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during the Term and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" or that Contractor continues to qualify for an exception to the Jury Service Program.

33.2.4 Contractor's violation of this Section 33.0, Compliance with Jury Service Program of this Appendix may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

#### **34.0 BACKGROUND AND SECURITY INVESTIGATIONS**

Background and security investigations of Contractor's staff may be required at the discretion of the County as a condition of beginning and continuing work under the Agreement. The cost of background checks is the responsibility of the Contractor.

#### **35.0 ACCESS TO COUNTY FACILITIES**

Contractor, its employees, and agents will be granted access to County facilities, subject to Contractor's prior notification to the County Project Director, for the purpose of executing Contractor's obligations hereunder. Contractor shall have no tenancy, or any other property or other rights in County facilities. While present at County facilities, Contractor's personnel shall be accompanied by County personnel at all times, unless this requirement is waived in writing prior to such event by the County Project Director.

### **36.0 COUNTY FACILITY OFFICE SPACE**

In order for Contractor to perform services hereunder and only for the performance of such services, County may elect, subject to County's standard administrative and security requirements, to provide Contractor with office space and equipment, as determined at the discretion of the County Project Director, at County facilities, on a non-exclusive use basis. County shall also provide Contractor with reasonable telephone service and network connections in such office space for use only for purposes of the Agreement. County disclaims any and all responsibility for the loss, theft or damage of any property or material left at such County office space by Contractor.

### **37.0 DAMAGE TO COUNTY FACILITIES, BUILDINGS, OR GROUNDS**

37.1 Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings or grounds caused by Contractor or employees or agents of Contractor. Such repairs shall be made promptly after Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.

37.2 If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment upon demand, or without limitation of all County's other rights and remedies provided at law or equity, or under the Agreement, County may deduct such costs from any amounts due to Contractor from County under the Agreement.

### **38.0 PHYSICAL ALTERATIONS**

Contractor shall not in any way physically alter or improve any County facility without the prior written approval of the County Project Director, and County's Director of Internal Services Department, in their discretion.

### **39.0 FEDERAL EARNED INCOME TAX CREDIT**

Contractor shall notify its employees that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

#### **40.0 ASSIGNMENT BY CONTRACTOR**

- 40.1 Contractor shall not assign its rights or delegate its duties under the Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this Paragraph 40.1, County consent shall require a written amendment to the Agreement, which is formally approved and executed by the parties, and which may be executed by the Sheriff on behalf of the County with the written concurrence of the County Counsel.
- 40.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person, corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with Paragraph 40.1.

#### **41.0 INDEPENDENT CONTRACTOR STATUS**

- 41.1 The Agreement is by and between County and Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between County and Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever. Contractor shall function as, and in all respects is, an independent Contractor.
- 41.2 County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Contractor.
- 41.3 Contractor understands and agrees that all persons performing Work pursuant to the Agreement are, for purposes of workers' compensation liability, the sole employees of Contractor and not employees of County. County shall have no obligation to furnish, or liability for, workers' compensation benefits to any person as a result of any injuries arising from or connected with any Work performed by or on behalf of Contractor pursuant to the Agreement.

- 41.4 Contractor shall provide to County an executed Contractor's Employee Acknowledgment and Confidentiality Agreement, Exhibit F2, (attached to this Appendix) for each of its employees performing Work under the Agreement. Such agreements shall be delivered to the County Project Director.

## **42.0 RECORDS AND AUDITS**

- 42.1 Contractor shall maintain accurate and complete financial records of its activities and operations relating to the Agreement, including any termination hereof, in accordance with generally accepted accounting principles. Contractor shall also maintain accurate and complete employment and other records relating to its performance of the Agreement. Contractor agrees that County, or its authorized representatives, shall, with reasonable notice and during regular business hours, have access to and the right to examine, audit, excerpt, copy or transcribe any pertinent transaction, activity, or records of Contractor relating to the Agreement; provided that County's access to such employment records of Contractor shall be limited to access that does not constitute an unlawful invasion of the privacy rights of any such employee. Should the examination and audit be performed by a non-County entity or should a non-County entity be requested by County to review information received pursuant to an audit or examination under this Section 42.0, Records and Audits, Contractor may require the non-County examiner or auditor, as the case may be, to execute a nondisclosure contract prior to any disclosure. The nondisclosure Contract shall limit the non-County entity's use of information received or reviewed in connection with the examination and audit to work performed specifically for the benefit of County. All such material, including all financial records, time cards and other employment records, shall be kept and maintained by Contractor and shall be made available to County during the Term and for a period of five (5) years thereafter unless County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then at Contractor's option, Contractor shall either (a) provide County with access to such material at a mutually agreed upon location inside Los Angeles County, or (b) pay County for travel, per diem, and other costs and expenses incurred by County to examine, audit, excerpt, copy or transcribe such material at such outside location.
- 42.2 If an audit is conducted of Contractor specifically regarding the Agreement by any Federal or State auditor, then Contractor shall file a copy of such audit report with County's Auditor Controller and the County Project Director within thirty (30) days of Contractor's receipt thereof, unless otherwise provided by applicable federal or state law or under the Agreement.
- 42.3 If, at any time during or after the Term, representatives of County conduct an audit of Contractor, as and to the extent permitted hereunder, regarding the Work

performed under the Agreement, the results of such audit, including any final determination in respect of an underpayment or overpayment, if any by County under the Agreement, shall be provided in writing to Contractor. Contractor shall have thirty (30) days to review the findings contained in such audit and notify County of any objection to the same. Such notice must include, in reasonable detail, the basis for Contractor's objection and any supporting documentation and analysis for Contractor's objection. If the parties cannot agree, within fifteen (15) days of receipt of Contractor's objection to the findings contained in County's audit, on the amount of underpayment or overpayment, if any, by County to Contractor hereunder, then either party may submit such matter to the Dispute Resolution Procedure, provided such matter shall be submitted initially, directly to the County Project Director and the Contractor Project Director. If Contractor fails to notify County of any objection it has to the findings of County's audit within the thirty (30) day period set forth above, Contractor waives any right to object to the findings of such audit, including any determination of overpayment by County. If such audit, whether initially following a waiver by Contractor of its right of objection or upon final determination pursuant to the Dispute Resolution Procedure, finds that County's dollar liability for any such Work is less than payments made by County to Contractor, then the difference, together with County's reasonable costs of audit, shall be either repaid by Contractor to County by cash payment upon demand or, at the discretion of the County Project Director, deducted from any amounts due to Contractor from County. If such audit finds that County's dollar liability for such Work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County, but in no event shall County's payments to Contractor exceed the Maximum Contract Sum.

#### **43.0 LICENSES, PERMITS, REGISTRATIONS, ACCREDITATION, AND CERTIFICATES**

Contractor shall obtain and maintain in effect during the Term all licenses, permits, registrations, accreditation, and certificates required by all Federal, State, and local laws, ordinances, rules, and regulations, which are applicable to Contractor's services under the Agreement. Contractor shall further ensure that all of its officers, employees, and agents who perform services hereunder, shall obtain and maintain in effect during the Term all licenses, permits, registrations, accreditation, and certificates which are applicable to their performance hereunder. If and to the extent requested by County, Contractor shall provide copy of each such license, permit, registration, accreditation, and certificate, in duplicate, to Henry Yee, Manager, Sheriff's Department Contracts Unit, 4700 Ramona Boulevard, Room 214, Monterey Park, CA 91754-2169.

#### **44.0 NO THIRD PARTY BENEFICIARIES**

Notwithstanding any other provision of the Agreement, Contractor and County do not in any way intend that any person or entity shall acquire any rights as a third party

beneficiary of the Agreement, except that this Section 44.0, No Third Party Beneficiaries shall not be construed to diminish Contractor's indemnification obligations hereunder.

#### **45.0 MOST FAVORED PUBLIC ENTITY**

If Contractor's prices decline, or should Contractor, at any time during the Term, provide the same goods and substantially similar services under similar quantity, delivery, and other applicable terms and conditions to the State of California or any county, municipality, public agency, or district within California at prices below those set forth in the Agreement, then such lower prices shall be extended immediately to County.

#### **46.0 COUNTY'S QUALITY ASSURANCE PLAN**

County or its agent will evaluate Contractor's performance under the Agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with the terms and performance standards of the Agreement. Contractor deficiencies which County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board. The report will include improvement and corrective action measures taken by County and Contractor. If, following due cure and notice periods for any specified material breach, improvement does not occur consistent with the corrective action measures, County may terminate the Agreement or impose other penalties as specified in the Agreement.

#### **47.0 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST**

Should Contractor require personnel in addition to those employed by Contractor on the Effective Date to perform the services set forth herein, Contractor shall give consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Agreement. For this purpose, consideration shall mean that Contractor will interview qualified candidates. Prior to consideration being given by Contractor, County will refer such County employees by job category to Contractor. The above obligations do not apply to positions filled by: (a) third parties who have subcontracted with Contractor to perform the services, or (b) Contractor's current employees.

#### **48.0 CONTRACTOR TO NOTIFY COUNTY WHEN IT HAS REACHED 75% OF MAXIMUM CONTRACT SUM (UNDER CONTRACT SUM PROVISION)**

Contractor shall maintain a system of record keeping that will allow Contractor to determine when it has incurred seventy-five percent (75%) of the Maximum Contract Sum. Upon occurrence of this event, Contractor shall send written notification to the County Project Director and the County Project Manager.

**49.0 NO PAYMENT FOR SERVICES PROVIDED FOLLOWING EXPIRATION OR TERMINATION OF CONTRACT**

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor under the Agreement, after the expiration or other termination of this Agreement. Should Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration or termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

**50.0 SAFELY SURRENDERED BABY LAW**

**50.1 Notice to Employees**

Contractor shall notify and provide to its employees residing in or working in the State of California, and shall require each subcontractor performing Work under this Agreement to notify and provide to its employees residing in or working in the State of California, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is available on the Internet at [www.babysafela.org](http://www.babysafela.org) for printing purposes.

**50.2 Contractor's Acknowledgement of County's Commitment to the Safely Surrendered Baby Law**

Contractor acknowledges that County places a high priority on the implementation of the Safely Surrendered Baby Law. Contractor understands that it is County's policy to encourage all County Contractors to voluntarily post County's "Safely Surrendered Baby Law" poster in a prominent position at Contractor's place of business. Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. County's Department of Children and Family Services will supply Contractor with the poster to be used.

**51.0 WAIVER**

No waiver by County of any breach of any provision of the Agreement shall constitute a waiver of any other breach or of such provision. Failure of County to enforce at any time, or from time to time, any provision of the Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in the Agreement shall not be exclusive and are in addition to any other rights and remedies provided at law or in equity, or under the Agreement.

## **52.0 GOVERNING LAW, JURISDICTION, AND VENUE**

The Agreement shall be governed by, and construed in accordance with, the substantive and procedural laws of the State of California applicable to contracts made and to be performed within that state. Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California (except with respect to claims that are subject to exclusive Federal subject matter jurisdiction, as to which Contractor agrees and consents to the exclusive jurisdiction of the United States District Court of the Central District of California) for all purposes regarding the Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the Central District of the Superior Court for the County of Los Angeles, California.

## **53.0 SEVERABILITY**

If any provision of the Agreement is adjudged void or invalid for any reason whatsoever but would be valid if part of the wording thereof were deleted or changed, then such provision shall apply with such modifications as may be necessary to make it valid and effective. In the event that one or more of the provisions of the Agreement is found to be invalid, illegal or unenforceable in any respect, such provision shall be deleted here from and the validity, legality, and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby, unless the Agreement fails of its essential purpose because of such deletion.

## **54.0 RIGHTS AND REMEDIES**

The rights and remedies of County provided in any given Paragraph, as well as throughout the Agreement, including throughout this Appendix, are non-exclusive and cumulative with any and all other rights and remedies under this Agreement, at law, or in equity.

## **55.0 FACSIMILE**

Except for the parties initial signatures to the Agreement, which must be provided in "original" form, and not by facsimile, County and Contractor hereby agree to regard facsimile representations of original signatures of authorized officials of each party, when appearing in appropriate places on change notices or in other correspondence, notices, etc. requiring signatures, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed thereto, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.
